

* Size of Seat Sack® is located on a tag inside of the pocket on each Seat Sack®

Measuring Guide- See Picture Above

Measurements shown are the width of the chair back.

Chair should measure that width or less for the Seat Sack® to fit properly.

Seat Sack® should not be tight on chair, but slightly loose.

Seat Sack® | Single Pocket

Seat Sack® is used by teachers for classroom management, storage solutions and to teach basic organization. Simply slide onto the back of a chair to create instant personal storage for books, papers, school supplies and more.
